DATE: May 2, 2016

TO: Board Members

FROM: 
Carol Northrup
Licensing and Administration Manager

SUBJECT: Licensing Division Report

Attached please find an Overview of Licensing Activity for the current fiscal year to date. Below is a summary of the programs areas:

RECEPTION/FRONT COUNTER

The total number of incoming telephone calls received in the third quarter averaged 40,046 per month compared to second quarter which averaged 13,220. In the third quarter the reception counter assisted an average of 459 applicants/licenses per month. The Board's reception area has received an increase in calls, foot traffic and emails since BreEZe go-live date of January 18, 2016. Duration of phone calls and hold times have increased by more than 50%. This is due to intricacies of the new BreEZe system and the staff still learning how to navigate through the new system. To better support the public, licensing has been utilizing other licensing staff to help assist with reception duties. In addition, two (2) conditional job offers have been accepted to fill our two (2) vacant positions. All licensing staff have been trained to answer phones and assist the public.

MAILROOM

The Board mailroom receives an average of 4,727 pieces of mail per month. Currently, the mailroom is assisting the cashiering unit in counting and organizing all applications with monies prior to delivery. This in-turn provides cashiers more time to focus on cashiering functions.

FINGERPRINTS

The fingerprint operations are current. The Board is pleased to report that the Department of Justice fingerprint results are now successfully interfacing with our new BreEZe system. This has streamlined the fingerprint process. In addition, the Board has fully trained an additional staff person as back up, when needed.

CONTINUING EDUCATION AUDITS

The Board is currently developing changes to the continuing education audit process. The Board surveyed other Boards/Bureaus throughout DCA to find best practices before updating our current processes/procedures. The Board is also leading a round-table with interested DCA Boards/Bureaus to discuss continuing education processes and will be meeting in May 2016. We anticipate our procedures to be updated and implemented in July 2016. The Board's audit process can now be tracked in BreEZe.

RESULTS/RETAKE

Since the implementation of BreEZe, pass results are now automatically mailed to the exam candidate within 48 hours of taking the exam, unless they require enforcement review. Failed results are still manually processed in our office because Pearson Vue provides the Board with detailed information for the applicant regarding their failed exam results.

RETAKE APPLICATION PROCESSING	489	376	458	617	283	479	21	N/A	N/A	2,723

CASHIERING

The Board has cashiered a total of 22,569 VN and PT renewals from July 1, 2015 through March 31, 2016. Since the implementation of BreEZe, cashiering processes have increased substantially. The Board has requested an additional cashiering position to accommodate the increase in processing functions. This will support our efforts to fully implement the DCA cashiering process to maximize productivity in the cashiering unit.

VN & PT EVALUATION

The current average processing time for VN applications is approximately 11 weeks and the average processing time for PT is 3.25 weeks. In an effort to streamline processes and procedures, the Board has reached out to other DCA Boards and nursing Boards in other states to strengthen and update current processes and procedures. Licensing is now able to collect more data in the new BrEZe system, which in turn increases the amount of time spent processing an individual application. In the future, BrEZe will be able to provide the Board with detailed statistical reports. Due to the increase in public inquiries as stated above in the **Reception/Front Counter** report, evaluators have been utilized heavily to assist with customer service.

VN PROCESSING TIMES	July 2015	August 2015	September 2015	October 2015	November 2015	December 2015	January 2016	February 2016	March 2016	FY 15/16 AVG
