

BOARD OF VOCATIONAL NURSING & PSYCHIATRIC TECHNICIANS
2535 Capitol Oaks Drive, Suite 205, Sacramento, CA 95833-2945
Phone (916) 263-7800 Fax (916) 263-7855 Web www.bvnpt.ca.gov

DATE: February 8, 2018

TO: Board Members

FROM: Jen Johnson, SSMI
Licensing and Evaluations Program Manager

SUBJECT: Proposal to Receive Student Transcripts Electronically (CloudDrive)

The Board has collaborated with DCA OIS staff to create an online storage facility that is securely accessible from the Internet, named the CloudDrive. This is already implemented with the Board of Registered Nursing (BRN) for all schools that apply for licensure for their graduating classes. The Licensing Division staff met with the BRN Executive Officer, Chief of Licensing, and Licensing Manager, via teleconference to discuss how they started using the CloudDrive and their processes.

The Licensing Division has conducted a pilot program with Unitek school to upload Record of Nursing Programs (RONP) documents to the CloudDrive. The upload of RONP's was successful.

Next the Board will provide outreach to the Directors of schools at the next Director's Forum. A PowerPoint presentation will be provided to explain the process and benefits of using this process. Benefits of using the CloudDrive is below:

- Faster processing times for applications
- Cost effective
- Enhance school reputation
- Increased passing rates
- Eliminate lost documents
- Graduates hired faster
- Overall increased customer and stakeholder satisfaction (Students, Deans, Directors, Hospitals, etc.)
